

Career Project

Zoe Hurmi - 6th hour

Personality

The 16 personality test

After taking the 16 personality test i found out that I am an ENFP-T who are people who tend to embrace big ideas and actions that reflect their sense of hope and goodwill toward others.

Myers Briggs personality test

While after taking the Myers Briggs personality test I found out that I am a ESFJ, who are people enjoy being in charge and they can be very sensitive people and when they are 'hit' they can't keep their emotions in check. ESFJ are people who can be very dramatic and can be very theatrical.

Marketing Manager

Marketing Manager

Job Description

Marketing managers estimate the demand for products and services that an organization and its competitors offer. They identify potential markets for the organization's products, and they also plan programs to generate interest in products or services.

High School Teacher

High School Teacher

Job description

High school teachers help prepare students for life after graduation. They teach academic lessons and various skills that students will need to attend college or to enter the job market. High school teachers generally teach students from the 9th through 12th grades. They usually specialize in one area. Some teach core subjects, such as math, science, or history. Others specialize in elective courses, such as art, music, or physical education. They may teach several different classes within their subject area. For example, a high school math teacher may teach algebra, calculus, and/or geometry.

High school teachers generally teach students from the 9th through 12th grades. They usually specialize in one area. Some teach core subjects, such as math, science, or history. Others specialize in elective courses, such as art, music, or physical education. They may teach several different classes within their subject area. For example, a high school math teacher may teach algebra, calculus, and/or geometry.

High School Teacher

High school teachers work in schools. They work during school hours but may also work evenings and weekends to prepare lessons and grade papers. Most do not teach during the summer. Some schools have large classes and lack important teaching tools, such as current technology and up-to-date textbooks. Occasionally, teachers must cope with unmotivated or disrespectful students. Some states are developing teacher mentoring programs and teacher development courses to help with the challenges of being a teacher. High school teachers generally work during school hours when students are present. They may meet with parents, students, and other teachers before and after school. They often spend time in the evenings and on weekends grading papers and preparing lessons. Teachers who coach sports or advise clubs generally do so before or after school.

High School Teacher

Education

High school teachers typically must have at least a bachelor's degree. In addition, public school teachers must have a state-issued certification or license. All states require public high school teachers to have at least a bachelor's degree, which may be in education. Many states require high school teachers to have majored in a content area, such as mathematics or science.

High School Teacher

Salary

The median annual wage for high school teachers was \$62,870 in May 2020. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than \$41,330, and the highest 10 percent earned more than \$102,130.

Elementary and secondary schools; local	\$63,400
Elementary and secondary schools; private	58,550

High School Teacher

What can you do now to prepare for the career

I can interact with my teacher and ask them what they do, why they do it, and what they love about it. I can try to be more attentive in class and see how some teacher teach.

High School Teacher

Why this career is a good fit for me

It's a good fit for me because I love to learn new things and help others learn them. I already help my friend with chemistry because she doesn't understand it that well and I do!

FBI agent

FBI Agent

Job description

FBI agents gather facts and collect evidence of crimes. They investigate and pursue criminal cases that violate federal law. FBI agents are responsible for crimes against public agencies, such as Medicare fraud, or that cross state lines. In addition, federal agents may join or take over investigations of certain types of state cases, such as those related to prescription drugs or large sums of money.

FBI Agent

Overall Work Environment

This work can be physically demanding, stressful, and dangerous. Officers must be alert and ready to react throughout their entire shift. They require extensive travel, often on short notice. These agents may relocate a number of times over the course of their careers. Other agencies, such as U.S. Border Patrol, may require work outdoors in rugged terrain and in all kinds of weather.

FBI Agent

Education

They must have at least a high school diploma or equivalent, although some federal agencies and police departments may require that applicants have completed college coursework or a college degree. Many community colleges and 4-year colleges and universities offer programs in law enforcement and criminal justice. Knowledge of a foreign language is an asset in many federal agencies and geographical regions. They may require prospective detectives and investigators to have a bachelor's degree.

FBI Agent

Salary

The median annual wage for police and detectives was \$67,290 in May 2020. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than \$39,130, and the highest 10 percent earned more than \$113,860. The median average wage as of May 2020 for Detectives and criminal investigators was \$86,940.

FBI Agent

What can you do now to prepare for this career?

I can look into classes that relate to this field of work. I can see what colleges have the highest rate of people going into this field.

FBI Agent

Why this career is a good fit for me

It's a good fit because I want to insure that everyone is okay and that people know why some things had happened. I love the idea of the work that a FBI agent does and I believe that I would excel at this.
